

# North Swim Club 2010-2011 Membership Drive Referral Program

## **Goals:**

Inform the community of the North Shore Swim Club in their area with the help of current NSSC families. Help current NSSC families off set cost of swim meets.

## **Process:**

Any current NSSC family who refers a new family into the program for a minimum of two consecutive sessions will be credited \$50.00 towards their escrow account, for each new family that joins.

## **Guidelines:**

Credit is Non Transferable. No monetary value. Credit can only be used towards swim meet entry fees. The maximum credit for each new family referred into the program is \$50.00

Registrants must be in the Junior, Age Group, Senior or Compass programs. Pre-team registrations are excluded from participation in the referral program.

Escrow accounts will be credited after the second consecutive tuition session payment has been received.

At the time of registration, the registrant must list the current NSSC Family, who referred them, on the registration form.

Please see Dan or Tony with any questions!
